MetLife Stable Value Fund

For Plan Sponsors participating in the Wilmington Trust Company Collective Investment Trust For MetLife Group Annuity Contract 25554

March 31, 2010

Footnotes & Disclosures:

- ¹ Subject to policy terms and conditions.
- ² Actual allocation.
- ³ Total MetLife Stable Value Assets under management includes MetLife Insurance Company of Connecticut's GICs and Alternatives. MetLife Separate Account GIC assets are comprised of Met Managed GIC assets of \$15.18 Billion and Synthetic GIC assets of \$4.44 Billion.
- ⁴ The average credit quality applies to the fixed income portion of the Fund; the Equity Index portion of the Contract is excluded from this calculation.
- ⁵ A Best's Financial Strength Rating is an independent opinion, based on a comprehensive quantitative and qualitative evaluation, of a company's balance sheet strength, operating performance and business profile. The A+ rating is the second highest rating on this 16-step scale and indicates that the company has superior ability to meet their ongoing obligations to policyholders. Ratings explanations can be found at: www.ambest.com.

A Fitch's Insurer Financial Strength Rating provides an assessment of the financial strength of an insurance organization. The rating is assigned to the company's policyholder obligations, including assumed reinsurance obligations and contract holder obligations, such as guaranteed investment contracts. The AA- rating is the fourth highest rating on this 21-step scale and indicates a very strong capacity to meet policyholder and contract obligations on a timely basis. Ratings explanations can be found at: www.fitchratings.com.

A Moody's Insurance Financial Strength Rating is an opinion of the ability of insurance companies to repay punctually senior policyholder claims and obligations. The Aa3 rating is the fourth highest rating on this 21-step scale, and indicates that the company offers excellent financial security. Ratings explanations can be found at: www.moody.com.

A Standard & Poor's Insurer Financial Strength Rating is a current opinion of the financial security characteristics of an insurance organization with respect to its ability to pay under its insurance policies and contracts in accordance with their terms. This opinion is not specific to any particular policy or contract, nor does it address the suitability of a particular policy or contract for a specific purpose or purchaser. The AA- rating is the fourth highest rating on this 21-step scale and indicates that the insurer has very strong financial security characteristics, differing only slightly from those rated higher. Ratings explanations can be found at: www.standardandpoors.com.

The Contract invests in the Separate Accounts of MetLife. The actual annual guaranteed rate that has been declared each quarter is shown above. These rates are net of all fees. There is no guarantee that future rates will be similar. Guarantees are subject to MetLife's financial strength and claims paying ability. Commingled Separate Accounts are available through group annuity contracts of Metropolitan Life Insurance Company, 200 Park Avenue New York, NY 10166.
