Hand Composite Employee Benefit Trust
HB&T Short Term Income Fund

Dear HB&T Short Term Income Fund Investor,

Hand Benefits & Trust Company has been serving as trustee and manager for the HB&T Short Term Income Fund (“HB&T STIF”) since 1971.

In 2013, the office of the Comptroller of Currency (OCC) published a final rule that revised the requirements imposed on Banks sponsoring short term income funds within their collective investment fund offerings. Pursuant to 12 CFR 9.18(b)(4)(ii)(B), the Short-Term Investment Fund rule became effective July 1, 2013.

The OCC’s new STIF rules include that STIFs have a primary objective to operate with a stable value of \$1.00 per unit and the STIF maintain a dollar-weighted average maturity of 60 days or less (down from 90 days or less from the previous OCC STIF rule). In addition, the OCC added additional administrative procedures and reporting requirements for monthly reporting to Unit holders of this type of fund.

Based on these rules, Hand Benefits & Trust Company’s Investment Review Committee monitors the duration of the portfolio, which currently has a 39-day average maturity. The 06/30/17 valuation is 0.999733 per unit, well within the acceptable range of between \$.9950 per unit value and \$1.00 per unit. During the last 42 years, this fund has maintained the \$1.00 per unit value and we will continue to manage the portfolio to meet these regulatory standards.

In response to the reporting requirements, Hand Benefits & Trust is providing monthly HB&T STIF reports which include the characteristics of the fund on the Institutional Trust Services section of the BPAS website, located in the Notices section. The reporting requirements are also included on the fund’s fact sheet. The report follows here.

Your business is appreciated. If you have any questions about the HB&T STIF, please contact Stephen Hand at (713) 744-3826 or at shand@bpas.com

Sincerely,

Stephen S. Hand
President, CIMA
