- Access plan messages and contact information

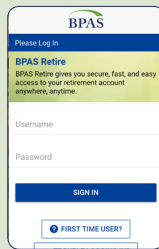

Security is Priority One

Protecting your data is our top priority. That's why the BPAS Retire mobile app has very strong security protocols. While this added protection might require an extra activation step, you can be assured that your account information is always secure.

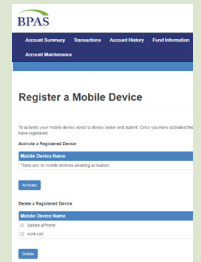

Get Started

- To Download the free BPAS Retire mobile app, visit the **Apple App Store** or **Android Marketplace/Play Store** from your tablet or smart phone.
- Search for **BPAS Retire**.
- Install the free BPAS Retire app.
- Open the app and login using the ID and password you created for your online account at bpas.com.
- After logging in, you'll be prompted to **name your mobile device** (e.g., Zoe's Phone). This name will show in your online account at bpas.com.

- Visit bpas.com and log into your account from a desktop or laptop computer.
- Under the **Personal Information** tab, choose **"Register a Mobile Device."** Select your mobile device and choose **"activate."** You'll only need to complete this step for the initial setup.
- Now, just log back in to your mobile device to start using the app.

You're now ready to enjoy easy access to your BPAS account anywhere, anytime.
