Collective Investment Funds
Form 5500 Schedule C & D
Eligible Compensation Calendar
Year 2023**

This document is being provided to assist plan sponsors and their Form 5500 preparers in completing the 2023 Form 5500 Schedules C & D. The disclosures and references herein are intended to comply with the Department of Labor.

Section 1: Identifying Information

The name of each Hand Benefits & Trust Company collective investment fund (CIF), as well as its share classes and CUSIPs can be found in the Collective Investment Fund Listing which can be obtained at http://www.bpas.com/products/inst_trust_serv.htm. For your convenience, attached to this document is a full listing of our CIFs with full fund information.

Section 2: Total Direct Compensation

Hand Benefits & Trust Company (HB&T) provides trust, fund accounting and transfer agency services to collective investment funds within the HB&T fund family. For these services, HB&T receives trustee/administrative fees based on a percentage of the daily net assets of each class of shares in a CIF for the services it provides to the funds.

Investment advisory services are provided either directly by HB&T or by sub-advisors hired by HB&T. An investment advisory fee based on a percentage of the daily net assets of each class of shares in a CIF for these services is paid to either HB&T or the sub-advisor of the fund. The fees for each of the CIFs can be found in the aforementioned fund listing.

Section 3: Indirect Compensation

HB&T has received no indirect compensation with regard to any of the services HB&T provides for the CIFs. HB&T has received no gifts or entertainment exceeding the Department of Labor's de minimis threshold for any plan investor. HB&T made this determination after examining the total amount of gifts and entertainment reported by all employees of HB&T and its affiliate companies, the number of plan investors known to HB&T, and the assets invested in HB&T CIFs. In addition, HB&T has not entered into any soft dollar or research type relationships.
