

**Hand Benefits & Trust Company (“HB&T”)
Collective Investment Funds
Services and Compensation
Prepared for Plan Investors**

We are providing you with this information (1) to help you understand the services we provide and the fees we receive, and (2) to comply with our disclosure obligations under ERISA regulation 408(b)(2). The U.S. Department of Labor (DOL) adopted new rules designed to assist plan sponsors and fiduciaries to assess the reasonableness of the compensation paid for services, and to satisfy their ERISA reporting and disclosure obligations. To meet that goal, service providers, including investment advisers, are required to disclose specific information regarding their services and fees they receive to sponsors of ERISA retirement plans.

Status

HB&T acts as a discretionary investment manager, a fiduciary within the meaning of Section 3(21) of ERISA, and a trustee with respect to the collective investment funds (“CIFs”) in which the Plan’s Accounts are invested. In addition, HB&T provides fund accounting and administration, and transfer agency services for the CIFs. HB&T’s status is also described in the Hand Composite Employee Benefit Trust Agreement (“CEBT Agreement”) which can be found in the CEBT Documents section of <https://www.bpas.com/employers/services/hbt/institutionaltrustservices/>.

Should you have any questions concerning this information, please do not hesitate to contact Stephen Hand at shand@bpas.com or Kathy Harvey at kharvey@bpas.com.

This report is being provided to the Plan only for informational purposes in connection with Section 408(b)(2) of ERISA and ERISA Regulation 2550.408-b2 (as published by the Department of Labor on February 3, 2012). This report does not constitute legal, tax or accounting advice. This report is not for distribution beyond its intended audience, and is not intended as an offer or solicitation with respect to the purchase or sale of any of the investments referred to herein.

Notes:

This disclosure only addresses information that HB&T as a covered service provider is required to disclose under Section 408(b)(2) of ERISA. The Plan may pay other fees to other service providers that may be disclosed to the Plan separately.

Trustee and Investment Management Fees for CTF Investments

With respect to CIFs in which the Plan is invested, HB&T receives Indirect Compensation monthly in arrears. The compensation is accrued daily within the CIFs. There is no Direct Compensation received. This distinction turns on the following:

Compensation is “Direct Compensation” if it is paid to HB&T directly from the Plan, including where the Plan pays invoices by directing HB&T to deduct amounts owed from its Accounts.

Compensation is “Indirect Compensation” if it is paid to HB&T from the assets of a CIF in a manner which results in an adjustment of the CIF unit value.

Soft Dollars

HB&T monitors its sub-adviser’s who may benefit from higher commission rates relating to the CIF portfolios to which they advise with research or brokerage services afforded them. Such higher commissions would be paid in accordance with Section 28(e) of the Exchange Act, which requires HB&T to determine in good faith that the commissions paid are reasonable in relation to the value of the research, brokerage, or custody services received. There is no recognizable value of these services.

Transaction Costs Associated with Contributions and Redemptions of Index or Model Driven CIFs

In certain cases, if the Plan purchases or redeems units of an index or model driven CIF it may pay certain transaction costs to the CIF as described in the Participation Agreement.

Notification of Change in Information

HB&T will disclose any change to the information provided above as soon as practicable, but, in any case, no later than 60 days from the date on which we learn of the change.
